Result-oriented PGDM (Marketing) student with hands-on sales experience through an ongoing FMCG field sales internship at ITC Limited, where exposure to retail outreach, client engagement, and territory execution has built strong consultative selling and relationship-management skills. Adept at prospecting, lead qualification, and consistent follow-through in target-driven environments. Strong communicator with a customer-centric approach, eager to apply analytical and interpersonal skills to drive pipeline growth and consistently meet sales targets in an Inside Sales role.

Work Experience

Sales Intern

ITC Limited

Jun 2026 - Jul 2026

- Proactively executed outbound prospecting and relationship-building across approximately 70 retail outlets, increasing product visibility and achieving a sell-through growth of [number]%.
- Conducted field-based client engagements to assess retailer needs, communicate product offerings, and support order generation, leveraging consultative selling principles to achieve [number]% increase in orders within the FMCG distribution sector.
- Follow up consistently with retail partners to maintain healthy account relationships and improve order conversion and repeat business.
- Report daily and weekly sales activity, outlet coverage, and market feedback to territory supervisor, supporting accurate performance tracking similar to CRM-based pipeline reporting.
- Collaborate with the territory sales team to identify new outlet opportunities and support achievement of area sales targets.
- Gain first-hand exposure to target-driven sales cycles, market trend observation, and competitor activity within the assigned territory.
